**12. SPECIFIC CONDITIONS APPLYING TO THE PROJECT**

- 12.1. The partner is eligible to utilize the Emergency Grant Fund (EGF) as per the existing eligibility criteria regulating the use thereof. The Partner is expected to pre-finance cases that will be expressly approved by NRC through focal points and will be reimbursed after submission of appropriate financial documents and having verified the authenticity of the case.
- 12.2. The current PRMN project to which this Agreement applies is an extension from the previous year; hence, the need for the Partner to submit a new proposal and budget does not arise. However, adherence to and application of all relevant annexes to this Agreement remain strictly obligatory.

**SIGNATURES**

This Agreement is executed in two original copies by the duly authorized representatives of the Parties, who, by affixing their signatures thereto, attest to their authority and full understanding and acceptance of the obligations and requirements contained therein, and confirm receipt of all the relevant annexes.
