

# The Shoe Aid Project

## Shoe Donation Project.

The Shoe Aid Project is a shoe donation program where shoes are collected and freely distributed to children and adults in Cameroon and neighboring countries.

Collected shoes shall be donated freely to people who got no chance to have no pair of shoes. Special focus shall be given to deprived children, women and local sport actors!

If you cannot be in Cameroon to promote and change the situation in communities, then better allow the people to reach changes by walking and running in your shoes.

**This is a Hope Foundation project;**  
visit our website to know more  
about our work and projects:  
[www.hope-found.org](http://www.hope-found.org)

### Support the project by:

- Donating shoes of any kind and size. Gently worn and clean shoes are most welcomed.
- Organise a Shoe Drive action where you can collect shoes as well from friends, colleagues and family
- Volunteer and assist us with our work. You can help is collecting, cleaning and package in your city.
- Donate money to help us clean, pack and ship the shoes to Cameroon.
