ENDORSEMENT

I, the undersigned parish priest at Saint Peter's Catholic Parish, hereby present this letter to endorse LOVE THE KIDS FOUNDATION (LKF) as a charity organization which works with us on a regular basis.

When the founder of this organization approached us at the parish, He shared with us a lot about his willingness to supporting children in need and He was in need of a small place for him to be able realize his dreams. I could only appreciate his idea and together with other priests of our parish, we offered to him an office for free. Soon thereafter, I have been observing the amazing works that Love the Kids Foundation has done and I realized that it is doing a great job for our community.

Love the Kids Foundation assists children in need and their relatives and both of them are being supported emotionally, technically, mentally, and spiritually.

I highly endorse Love the Kids Foundation and recommend it for any support.

Cordially,

Fr. Edison Akatuhurira
Parish Priest
