- To eradicate all negative conservatism among societies.

MISSION

- To give formal and informal education to all;
- To guarantee fundamental rights;
- To operate in the needy communities, both rural and urban (health care, education and skill training);
- To fight against domestic violence of any kind.

GOALS

- Care for aged and people with disabilities;
- To provide advanced education to the maximum reachable beneficiaries;
- Education on teenage pregnancy and Sexually Transmitted Diseases (STDs);

- To get all the disadvantage people socially involved;
- To give support to widows and orphans.

OBJECTIVES

- To build a rehabilitation centre for the disadvantage communities;
- To educate at least 700 children by the end of 2017;
- To organize monthly health screening and seminars to create awareness of STDs.

AREA OF OPERATION

Ancora of Hope Organization (ANCHOR) operates in very poor communities, both rural and urban, where lack of quality education, health care, accessible roads, good food and clothing make the life of the inhabitants difficult to live.

ACTIVITIES OF ANCORA OF HOPE (ANCHOR):

1. COMMUNITY SOCIAL CENTRE:

A drop-in house where everybody can visit irrespective of their physical background for support and care. Also, as a centre where special attention is given to the aged who are being neglected for one reason or the other as well as rejected sick persons through home visiting for their support and also after-school centre for the community children.

2. SCHOOL OF HOPE:

- Full-time classes for out of school children;
- Part-time classes for working children;
- Rehabilitation for children with disabilities;
- Financial orientation for single parents;
- Part-time classes for adults (adult education);
- Basic to advance computer studies (IT learning).

3. SKILL TRAINING SESSION:

ANCHOR runs different skill training sessions to give self-employment opportunities to both women and young girls to take destiny to their own hands and acquire skills. The skill training sessions variate from hairstyling, dressmaking, bead making, catering and events decoration.

4. OUTREACH SESSION:

ANCHOR operates an outreach session to provide socio-economical, psychological and physical assistance to less privilege people in the society. ANCHOR organizes financial orientation, seminars and house to house counseling to poor families. Also, single parents are reached to discuss social issues and rehabilitation is given for all kind of

disabled, aged and rejected people. Further health education and safe environmental practices are given to the selected poor villages.

WELCOMING VOLUNTEERS

ANCHOR welcomes volunteers from all angles to support and access the improvement of the organization itself.
