About Alwea'am Society:

Alwe'am Charitable Society is a charitable and non-governmental society licensed by Ministry of Interior under the law of associations in Palestine No (1) decided in 2000. It was established in early of 2006 and has the license No7608. It is a non-profit community organization, working across the whole Gaza Strip.

The idea of creating Alwe'am association emerged due to the high rates of unemployment and people's needs ,where the Palestinian community has large number of poor families, orphans and widows in the Gaza Strip due to the repeated incursions by the Israeli forces, especially in northern Gaza Strip.

The society makes its best to fulfill its mission and to support that categories in the Palestinian community whether financially or morally. The association also works hard to offer social and health services free to those needy people who are in urgent need for such services, depending on local and global institution working in such field.

Society's Vision:

Alwea'am society seeks to be a leading charitable association with a distinctive contribution in fulfilling the sustainable development in the field of social, economic ,culture and education in Palestinian community.

Society's Mission:

Alwea'am society is a non- profit association characterize with creativity and excellence. It focuses on the field of community development through supplying its serves in the field of human relief , education, health, agriculture and the project of psychological and social support beside capacity building and training for those targeted by the association as farmers, students, women, youth through applying its programs and policy depending on deep understanding for Palestinian community needs as well as securing experts and who has efficiency to do that.

Society's Objectives:

- 1 -To achieve psychological, social and economic care for orphans and needy families in the Gaza Strip.
- 2 – To offer help for the wounded and rehabilitate the disabled in term of health, social and psychological.
- 3 – To take care of agriculture field and working toward its development through agricultural projects.
- 4 – To prepare and encourage scientific researches and cultural studies and have it published in the media so as to expand knowledge within the Palestinian people.
- 5 – To promote sport and cultural aspect of the Palestinian youths and establishing clubs for that purpose.
- 6 – To take care of Women and children education and providing them with suitable care .
- 7 – To set up health facilities such as hospitals that contribute in alleviating the suffering of Gazan citizens.
- 9 – To provide talented people with suitable care through building schools especially for them in the Northern Gaza strip.

Areas of society's work

Alwea'am society serves the targeted groups in all governorates of the Gaza Strip, particularly the northern Gaza Strip.

Society's projects

First: seasonal projects:

1 -**Summer Camps:**The society implements number of summer camps each summer in northern Gaza Strip for all student levels, where many educational and sporting activities implemented.

2 –**School bag & uniforms:** The society distributes seasonally about 1,000 school uniform and bag equipped with all tools and stationery for the needy pupils and orphans in order to draw a smile on the face of the deprived children.

3 – Project of feast clothing-Gifts:The society provide children of poor families and orphans with clothes on Fiter and Adha feast in the working area . It also distributed cash assistance (Alaidaat) on poor families and people who are in urgent need.

4 –Qurbai Projects :Every year the society distributes meat in al-Adha feast for the poor and needy families. It distributes about 10,000 shares annually in the northern Gaza strip. This project is supported by some local and global organization beside some donors from the Arab countries.

Second / lasting Relief Projects

1 - poor families sponsorship:The society provide a permanent monthly financial assistance for more than 150 poor families in its work areas, where the average of every financial assistance is 800 NIS (250\$) for each family according to its economic status. Such project is supported by external institutions from Arab and Muslim world.

2 - Sponsorship of students in Tahfeeth Qur'an groups :The society has been interesting in the Holy Quran and Sunnah through providing students with what they need , which helps in planting the Qur'an and Sunnah in the hearts of children of Palestine. We thank the almighty Allah that we succeed in sponsoring many of Qur'an groups by the assistance of donors.

3 - Orphans Sponsorship:The society provides a monthly financial sponsorship for orphans in the northern Gaza Strip, where the number of orphans sponsored is 3000 orphans where 1500 orphans are sponsored by the king Abdullahlbn Al-Husein the second and the rest are sponsored by the concerned institutions.

3 – Project of Food- Parcels:The Society distributes more than 5,000 of food-Parcels for citizens in the region to alleviate the suffering of the poor families and to fight the siege policy that adopted by the Israeli occupation against Palestinian people in Gaza.

Third: Development Projects:

1 – Alwea'am First Agricultural Project:The society has implemented its first agricultural project on the area of 25,000^m² where this area is planted with citrus and fruits trees. This project aims to find labor opportunities for number of farmers who lost their lands during the last war on the Gaza Strip. This project employs 12 farmers of whom has serious damages as a result of the wild war.

2 - Alweaaam Second Agricultural Project:The society implemented its second agricultural project over an area of 30,000^m² , where all the area was planted with olive and fruit trees. The project aims to find labor opportunities for farmers who lost their land during the war on the Gaza Strip. This project employs 12 farmers of whom has serious damages as a result of the wild war.

3 –Alwea'am farm:The society implemented the project of Alwea'am farm over an area of 10,000^m². This farm has all types of citrus, fruits, olives and nuts trees. It also includes approximately 50,000 of various seedlings, notes that it employs 10 farmers.

4 - Alwea'am -desalination Station: The society implemented desalination Station in Sheikh Zayed City with a capacity up to 300 cubic meters per day. The society distributed water in the northern of the Gaza strip for free for the needy.

5 - Alwea'am Hospital:The Society supervised Alwea'amMedical hospital that located in Tel Al-Islam. The society hosted a Jordanian Medical delegation shortly after the last war on the Gaza Strip. During the past three years, the hospital received nearly 500,000 patients and providing them with the necessary services for free .

6- Al-Jazaer specialized hospital: On December 2009, Alwea'am charitable society received aid convey from Algeria that carried the name of (Algeria convey –Gaza) , where it has medical equipments and relief assistance. So, Alwea'am charitable society has decided to collect all that equipments in an independent hospital and called it (**Al-Jazaer specialized hospital**) in Khan younis governorate, so as to offer its deep thank for the brother in Algeria for their great role in alleviating the suffering of Gazan patients.

7- Alwea'am kindergarten: is one of charitable development project implemented by Alwea'am charitable association that targeted an important category from our Palestinian people. They are children from 3 years and half to 5 years, in order to support the education process and taking care of children in their early age.
