Chairman,
Grants Committee,
Kitchen Table Charities Trust.
2 The Crescent,
St Austell,
Cornwall,
PL25 4TA,
United Kingdom.

Dear Sir,

RE: AKUORO RESTORE HOPE INITIATIVE - UGANDA (RHOI-UGANDA).

Reference is made to your 12th, March 2021 letter to RHOI-Uganda asking for authentic document quoted as "a letter or certificate from the relevant local education/water and sanitation/health/social services authorities confirming they are aware of your organisation and project, and that it complies with local building and any other regulations."

Granted; Akuoro Restore Hope Initiative-Uganda, (RHOI-Uganda) is a legally registered Community Based Organization with legal registration status attained on July 1st 2020 with Serere District Local Government Authorities under **Reg No. SN/306/2020.**

It's of great opportunity to inform you that the Serere District Community Development Office is aware of RHOI-Uganda's development project Initiative where KTCT is a prime funder for the "**Reliable water, Healthy lives**" Project at Omagoro Community in Serere District.

This partnership for development and local building is profound and gladly accepted by local government authorities and government of Uganda.

As we continue, henceforth, we look forward to a fruitful collaboration among the local authorities, KTCT and RHOI-Uganda for rural development.

Yours faithfully,

COMMUNITY DEVELOPMENT OFFICER

19 MAR 2021

Okalebo Echodu Samuel

District Community Development Officer - Serere.
