| <ul style="list-style-type: none"> Discussion and conclusion | <p>1. Sharing information on the progress to organize the Global Campaign against Youth Unemployment</p> <p>The WAYU representative presented the progress of to organize the campaign in following way:</p> <ul style="list-style-type: none"> -The design of Youth Hub for Business, Trade, and Innovation is already done -The sponsorship packages for the campaign is already done -Calendar and strategy of the campaign are already done | |
| | <p>While taking into consideration that the Youth Hub is going fist to be built in Kigali, the CEO of WAYU highlighted some concerns that was spotted later by their team, that is, running the campaign in other places can arise some expectations amongst youth, and later bring about negative criticism that can lead to failure of future campaigns. Therefore, the campaign will be centered in Kigali but advertised national wide and key persons from outside Kigali would be invited.</p> | |
