8. FINANCIAL SUPPORT TO POOR STUDENTS:

With the financial support from former B.A students of Silver Jubilee Government Degree College, Kurnool, we initiated "M.K.Ramakrishnan Memorial Merit Scholarship" in the memory of Sri M.K.Ramakrishnan, Former Principal of Silver Jubilee Government Degree College to encourage and support the present Meritorious Students of B.A Course. As part of it during this year, we have sponsored examination fee @Rs. 600/- to 10 poor students of silver jubilee college, Kurnool. We also extended financial support to poor school students of municipal school, old town, Kurnool. We have spent Rs.16000/- on this activity with donations from individual philanthropists and members contributions.

9. CONSUMER EDUCATION PROGRAMS:

As a Consumer Advocacy Group of TRAI, We have conducted consumer education workshops in association with Jio, Air Tel, Telenor, Tata Docommo etc. We also resolved Appeal of Telecom Complaints as a member of Air Tel Advisory, Jio, Telenor, Tata Docommo Advisory Committees. We also have conducted Consumer Rights Awareness Camps at Kurnool. 178 Participants Like SHGs Women, Youth, Farmers Etc. Participated in the Camps. We Educated on Various Rights of Consumers, Consumer Redressal Mechanism, and Consumer Forums etc. We have spent Rs. 24500/- for this programs.

10. CULTURAL PROGRAMS ON SOCIAL EVILS & SCIENCE FOR MASSES:

In our area, there persist various social evils like blind beliefs, superstitions, child labour, child marriages, untouchability, gender discrimination etc. Community lack scientific awareness. We conducted cultural programs like songs, plays, mono actions etc. on social evils and science for masses to create awareness among rural people particularly of uneducated sections of the community. We conducted this program in 4 villages with about 500 participants. We have spent Rs. 25450/- on this activity with donations from individual philanthropists and members contributions.

11. CLIMATE CHANGE EDUCATION PROGRAM:

We have conducted Workshop on Climate Change in India: Opportunities & Challenges on 28th March, 2018 at Conference Hall, KVR Government Degree College for Women, Kurnool, Andhra Pradesh. The purpose of the workshop is to create awareness and disseminate information on various aspects of climate change, the way forward the eight national missions related to climate change, possible impacts of projected climate change, changes in climate and weather events in India, projections of climate change over India for the 21st century, climate change and its impact on Indian and global economy etc. About 150 students and lecturers participated in the workshop. We have spent Rs. 34850/- on this activity with donations from individual philanthropists and members contributions.

12. VOCATIONAL SKILL TRAINING PROGRAM COMPUTERS & TAILORING:

We have provided Computer & IT-Enabled skills like computer literacy, Internet, smart phones, social networks, soft skills & communicative English trainings for a period of three months to 30 youth. This program will address the dearth of Computer & IT-Enabled skill inputs being experienced by several youth particularly of marginalized in Kurnool Mandal of Kurnool district of Andhra Pradesh.

Women lack skills to take up employment or self employment for their economic empowerment. Hence, we provided three months training in tailoring and embroidery for 30 women and girls at Kallur. We trained them in machine control, cutting and stitching. We also trained them in hand embroidery work. We sensitized them on savings, bank loans, government subsidies & incentives. They were able to do the tailoring and embroidery work and earn additional income for their better living. Their economic and social status enhanced. We have spent Rs. 65000/- on this activity with donations from individual philanthropists and members contributions.
