**Date: 15<sup>th</sup> July 2017**

This is to certify that **LOKADRUSTI**, Khariar has been a valued project partner to Karl Kübel Stiftung für kind und familie (KKS) - Germany and Karl Kübel Foundation for Child and Family (KKF) – India for a number of years.

**LOKADRUSTI** have meticulously implemented the projects that we have supported on key themes like promotion of on-farm activities like Natural Resource Management, Sustainable Agriculture, Promotion of Horticulture, Sheep rearing, Goat rearing, Poultry rearing, Pisci-culture activities etc. In addition to this, they have also successfully implemented off-farm activities like promotion of grocery shops, small and petty businesses, vending shops, cycle repairing shops etc.

The demonstrable impact of these projects has been very good and that has changed the lives of many poor households of Nuapada district. Their accountability standards and transparent operational procedures have been quite satisfactory for us.

We are sure that **LOKADRUSTI** is a good partner to work with and would positively refer **LOKADRUSTI** to any prospective collaborators.
