5 October 2005
Our Ref: UGA/05/017

Dear Rev Amuca,

I am pleased to tell you that following reports from our representative in Kampala, who visited your project recently, our Project Review Group has approved your request for assistance from Workaid.

We shall be able to supply you with some sewing machines and tools for carpentry and masonry.

We do have a large number of approved projects on our list, so it may be some time before we can start to pack your consignment. When it is packed it will go with consignments for other groups in one of our containers, to be shipped to Uganda, and then be distributed by our partners in Kampala.

Currently, we are sending containers to Uganda, at four to six monthly intervals.

We shall write to you again when the container with your consignment is full and ready for despatch. You will also hear from our partners in Kampala, when the container has arrived, to inform you when you can collect your consignment from them.

In the meantime you have our best wishes for your project.

With best wishes,

Yours sincerely,

 Graham Daw
Secretary
