APPEAL

The trust is doing its best to alleviate the sufferings of society. Thousands of students and patients in wretched conditions, continue to wait. We are yet to touch patients suffering from serious diseases like Cancer, Cardiac issues, Blood related disorders and several others. We are also keen to provide aid to widows, disabled people and special children.

Only if we had more financial resources at our disposal, we would have been able to support the above mentioned cases. Thus there are unlimited opportunities to make a contribution for this cause of humanity.

This is a fervent appeal to all the privileged to provide financial assistance for this noble mission to cater sustenance to the deplorable mankind.
