

Let's Help International-LHI

We stand up for the needy

About us

- **We advocate** for the physical, cognitive and social development of vulnerable children, youth and families as well as orphans, refugees and other people in need mostly.
- **Our Vision:** A world where every person's fundamental needs are catered for so that they are able to craft a successful future for themselves.
- **Our Mission:** To improve the quality of life of children, youth and families with limited resources or who live in vulnerable sectors so that in turn they are able to change their future positively.

Problem

Poverty due to lack of :

- Education for vulnerable children
- Livelihood programs to Support to vulnerable families such as Professional skills for the Youth to get jobs and/or to start their businesses, etc.
- Women's empowerment in communities

Solution

- Providing Education to vulnerable refugee children

*School fees, scholastic materials,
Psychosocial support & follow up*

Solution...

Livelihood Program

This Program aims at promoting people's welfare through different activities:

(Informal Education, Family care, Environment Protection, Fighting Malnutrition, Behavior Change Communication for: Family Planning, Sexual Transmitted Diseases-STD, Hygiene, Sexual & Gender Based Violence etc.)

Solution...

- Women's empowerment

*Empowering women is essential
to the health
and social development of
families,
communities and countries.*

Our Goal

**Breaking the cycle of poverty by:
providing access to education
for vulnerable children,
Livelihood Programs Promotion
and women's empowerment.**

How it works

We operate with what is raised from contributors, sponsors, social events, funds or donations, as well as from volunteers and our sustainable activities.

\$8

**\$8 per month
can educate a child**

**Including School fees,
scholastic materials such
as: Books, uniform, etc ;
Follow up &
Psychosocial support
where needed .**

\$90

**\$90 per year

Our Strength

There is currently no other organization that:

- Identifies, educates and follows up vulnerable children in the refugee camp
- Sensitizes and /or campaigns for the Behavior Change Communication

We make people craft a successful future for themselves.
