

**CENTER FOR  
PEACE AND  
DEVELOPMENT  
EFFECTIVENESS**

**Who Are We**

Center for Peace and Development Effectiveness (CEPDE) is a non-profit, non-political and non-governmental organization established in Liberia in January 2011. CEPDE was incorporated by the Ministry of foreign Affairs in December 2012 and duly registered with the Government of Liberia in January 2013.

**Vision**

An effectively developed society which promotes peaceful coexistence and human rights

**Mission**

CEPDE aims to promote peace, security and rights-based development at national, regional and international levels.

**Objectives**

1. To promote peace, security and human rights from a development perspective
2. To empower people to overcome poverty and inequality

3. To support the implementation of national, regional and international instruments on peace, human rights, and development effectiveness
4. To support the work of the United Nations and other international bodies, particularly in the areas of peace, human rights, and sustainable development

**Core Values**

1. Dedication
2. Commitment
3. Passion
4. Transparency and Accountability
5. Service to community and mankind
6. Non-discrimination
7. Productivity
