**Musical Instruments:**

- Acoustic/electric and bass guitars, piano keyboards, sound boards, amplifiers, microphones, microphone stands, loudspeakers, trumpets, saxophones, violin, acoustic/electric drum set, (Band Equipment), etc.

**Vehicles for Transportation:**

- 4WD Vans, double cabin pickup trucks, cars, buses, (preferably 4 Wheel Drive small vehicles). One of the main challenges here is traveling on rough roads in unreliable, overcrowded buses and taxis that serve as public transportation. It becomes especially challenging when traveling in the rural villages with almost no proper roads, and there are no buses. The only alternative means are "boda-boda" bicycles, which are not always safe. As such, CSU is in need of a reliable 4Wheel Drive Vehicle for safe travel and transportation.

**Funding:**

- CSU's greatest need at the moment is financial resources to pay children's school fees, and run programs and projects. Financial donations can be made by mail or wire transfer.

**All donations should be mailed to our mailing address: P. O. Box 28454, Kampala Uganda, to the attention of "Mr. Anthony Onyango Yakobo, Director, Child Support Uganda.**
