PERFORMANCE EXCELLENCE TEAMWORK & SERVICE [PETS]

OUR PARTNERS

OUR COMPANY

TEST TOOLS NIGERIA ENTERPRISE is experienced in delivery, installation and support of large computer systems and networks and maintains a local Spare Part Consignment Store, providing back-up for customer systems in order to minimize the effects of possible faults. Service support is provided by TTNE Solutions service facility based in Abuja and Lagos, Nigeria. Its qualified staff is performing full servicing and repair of the equipment all over Nigeria. Beside the normal working standard equipment, TTNE Solutions has equipment for testing, installation and technical validation of end user solutions.

TTNE Solutions is a company which intends to be in front of the client's needs, deeply understanding clients' business and delivering and optimizing IT solutions from the initial phase of scoping the requirements, up to the final delivery, maintenance and continuous upgrade. TTNE always look at the things from the customer perspective, but also from customer's customer perspective to grasp their real business need for the IT solutions they deliver.

We provide total project management, right from architectural design, integration, system and interface development to migration backed by world-class methodologies, well-defined solution frameworks and extensive integration experience with tier-1 service providers.

Beside the hardware and network solutions; with design and development expertise in diverse platforms, best-of-breed tools and techniques, combined with industry best practices, TTNE offers scalable end-to-end application development and management solutions from requirement analysis for deployment and rollout. We hope to come to you with desired software at a reasonable cost.

TTNE Solutions is a leading IT company for Consulting Services and Deployment of best of breed Business Solutions to top tier domestic and international customers. Furthermore, we offer reasonable Service Level Agreements (SLA) covering most of the additional maintenance services. With our 24/7/365 days per year support, we are making troubleshooting as easy as possible.

AREA OF EXPERTISE

Main Strength of TTNE lies in the blend of professionals, specialized and highly focused operation. Increasing customer's awareness is the strength where it excels over its competitors.
