

**TINADA YOUTH ORGANIZATION (TIYO)**

**STAKEHOLDERS FORUM**  
**FOR SCORE CARD AND INTERFACE ON COMMUNITY CHILD RIGHTS**  
**REPORT**

***FACILITATED BY USTADI FOUNDATION (CDP)***

***ON 17TH OF MARCH 2017 CONDUCTED HOME TOWN PLAZA***

***WITH SUPPORT FROM DANIDA –GLOBAL SOUTH PROGRAM***

*Stakeholders discussing during score Card forum*

TINADA YOUTH ORGANIZATION in collaboration with USTADI FOUNDATION - Capacity Development Partner is implementing Capacity Development Program with funding from Danida - Global South Program. The initiative supports Civil Society organizations in Kenya, Uganda and Somalia in capacity building initiatives in the thematic areas informed by the Danida Development Policy. These are: Human rights, Green growth, Social progress and Stability and protection using the following intervention areas: Advocacy; Human-right based approach; and Organizational development. The programme's goal is *"to provide an innovative approach to capacity development of civil society in the Global south and to foster new and more equal partnerships between South and North CSOs*

***The activity is under Result 2: To Enhanced capacity in advocacy and application with adequate children needs rights information data base***

*Tinada Organized and USTADI Foundation (CDP) engaged 20 Community stakeholders and conducted stakeholder's forum for score card and interface on community child rights needs assessment issues on early child development centers and community units*

**OBJECTIVES OF COMMUNITY ENGAGEMENT AND SCORECARD**

*Engagement aimed to answer the following questions:*

1. What assets and resources already exist that enable children to thrive?
2. What are gaps in Children's well being?
3. Who are the most vulnerable children? What are their key asserts and their main challenges?
4. What are the community Vision and Priorities for improving and sustaining and sustaining the well being of children, especially the most vulnerable?
5. Which groups and Organization in the Local are can work together to address the community's vision and priorities for child wellbeing.

**1. EXISTING RESOURCES IDENTIFIED BY Stakeholders/ COMMUNITY MEMBERS**

- Wetland area & aquatic products: i.e Papyrus reeds, Fish, Hippopotamus, Mosquitoes, weaver birds
- Sand
- Rivers: Un seasonal - Nyando,  
Seasonal: - Asao, Ngadi, Ochwoga, Kibwon and Omondo,
- Land: for residential and farming producing Crops such as: Rice,
- Vegetables, cassava, Maize, Beans, Tomatoes, and fruits i.e Mangos Pawpaw,)
- Trees
- Livestock/ Domestic Animals i.e Poultry,Cows, Goats, Sheep, Donkeys, Dogs and Cats.
- Schools:
  1. Public Primary: Urudi, Wasare, Kasao,Kanyalwal and Nyamarumbe.

2. Private: Alara, Hillfow and heart to care.
  3. ECDs: True Gospel, Urudi, Wasare, Kasao, Kanyalwal and Nyamarumbe, Alara, Hillfow and Heart to Care.
- Churches
  - Human Resource/ Rangul Bona fide Residents
  - Children
  - Houses
  - Boats
  - Sisal
  - Grazing Land
  - Water Sources: Rivers, Ponds, wells, Bore holes,
  - Crush pens
  - Marram

## **2. CHALLENGES IN THE LOCATION**

- Floods
- Drought
- Famine
- Inadequate clean & safe drinking for drinking
- Low income
- Teenage Pregnancies
- Drug abuse
- Lack of parental guidance
- Poor infrastructure: i.e roads, bridges, schools, shelter & Lack of electricity
- Lack of spiritual nature
- Wetland encroachment
- Human Diseases: i.e Malaria, Typhoid, HIV and AIDS
- Stigmatization on the physically challenged /disabled.
- Poor Livestock management
- Poor child to parent communication
- Child and abuse
- Environmental degradation
- Insecurity
- Free Grazing leading to crop damage and soil erosion
- Peer pressure and influence

## **3. THE MOST VULNERABLE CHILDREN**

- Physically challenged/ disable children
- Children from low income families.
- Orphaned children
- Children from child headed households
- Children living with HIV and AIDS
- Children born of teenage mothers
- Girl and Boy child
- Child headed homesteads
- Children born out of wed lock

#### **4. KEY ASSETS**

- International and Local NGOs. Such as: (LIDA, World Vision, Red Cross, World Neighbors, Heart)
- Well wisher
- National and County Government through her line ministries.
- CBOs like: Gomre Jikaza Women, Tinada Youth, Kabwodha Farmers, Jikaza Farmer, Masaai women.
- FBOs such as: Holistic Pastors, Nyakach CIM and Nyafap.
- Community Health Volunteers
- Community Members

#### **5. CHALLENGES FACING THE CHILD WELL BEING SUPPORT SYSTEM**

- Inadequate resources of those supporting the Vulnerable in the community
- Corruption: as the target beneficiaries at times may not get the support as intended
- Discrimination based on nepotism and clans
- Overdependence and the donor dependency syndrome
- Low income / low production as those supported are not improving at all.
- Poor Performance of students
- Disobedient children: such as arrogant and tuff headed or rebellious children
- School drop outs
- Early pregnancy and early marriages
- Poor coordination between donors and beneficiaries
- Inadequate institutional capacity to implement projects as intended to bring about lasting impact
- Inadequate capacity in resource mobilization
- Poor networking and collaboration between the donors and principle stakeholders
- Lack of information: The target group may not know how to benefit from the project and the donor may fail to identify the real needy person on the ground.

#### **6. PRIORITIES**

**The process reached at the out lined priorities below is known as the pair wise ranking technique:**

1. **Water** : Water harvesting systems and Flood control and improved sanitation (water channeling, Pans, roof catchment) for domestic and crop production.
2. Food security
3. Education
4. Health
5. Christian Commitment
6. Environment
7. Economic Empowerment
8. Security
9. Land Adjudications

#### **ACTORS IN THE COMMUNITY**

- International and Local NGOs. Such as: (, World Vision, Red Cross, LIDA ,World Neighbors, Heart Nyakach)
- Well wisher
- National and County Government through her line ministries.

- CBOs: Gomre Jikaza Women, Tinada Youth Organization, Kabwodha Farmers, Jikaza Farmer, LIVERO, Masaai women, LOPYO, Katinda.
- FBOs such as: Holistic Pastors, Nyakach CIM and Nyafap.
- Community Health Volunteers
- Community
- Churches

## ISSUES AND ROLES OF DUTY BEARERS

### AS IDENTIFIED BY THE PARTICIPANTS AS PRIORITY IN THEIR LOCALITY WITHIN NYANDO AND NYAKACH SUB DISTRICTS

#### 1. Environment

<ul style="list-style-type: none"> <li>• <b>Ministry of environment and Forestry</b></li> </ul>	<ul style="list-style-type: none"> <li>• Ensure environmental conservation</li> <li>• Discourage deforestation (implementing afforestation policies)</li> <li>• Provision of extension services on overstocking</li> </ul>
<ul style="list-style-type: none"> <li>• <b>Community</b></li> </ul>	<ul style="list-style-type: none"> <li>• Advocate for environment conservation</li> <li>• Promotion of tree coverage</li> <li>• Understand environmental dynamics</li> </ul>

#### 2. Food security

<ul style="list-style-type: none"> <li>• <b>Ministry of agriculture</b></li> </ul>	<ul style="list-style-type: none"> <li>• Provision of extension and advisory services</li> <li>• Provision of farm inputs</li> <li>• Marketing of farm produce</li> </ul>
<ul style="list-style-type: none"> <li>• <b>Special program</b></li> </ul>	<ul style="list-style-type: none"> <li>• Disaster management</li> <li>• Disaster preparedness</li> <li>• General food distribution</li> </ul>
<ul style="list-style-type: none"> <li>• <b>Community</b></li> </ul>	<ul style="list-style-type: none"> <li>• Planting of drought resistant crops</li> <li>• Adopting new farming techniques</li> <li>• Ensure water conservation</li> </ul>

#### 3. Health

<ul style="list-style-type: none"> <li>• <b>Ministry of health</b></li> </ul>	<ul style="list-style-type: none"> <li>• Provision of enough qualified personnel</li> <li>• Ensure provision of certified and adequate drugs and equipment</li> <li>• Provision of extension services.</li> </ul>
<ul style="list-style-type: none"> <li>• <b>Community</b></li> </ul>	<ul style="list-style-type: none"> <li>• To seek medical attention</li> <li>• Maintain hygiene</li> <li>• Report immediately of outbreak of diseases to relevant authorities</li> </ul>

#### 4. Security

<ul style="list-style-type: none"> <li>• <b>Ministry of internal security</b></li> </ul>	<ul style="list-style-type: none"> <li>• Protect citizens from internal aggression</li> <li>• Protect life and property of her citizens</li> <li>• Enforcing and maintaining law and order</li> </ul>
<ul style="list-style-type: none"> <li>• <b>Community</b></li> </ul>	<ul style="list-style-type: none"> <li>• Actively participate in community policing</li> <li>• Embrace nyumbakumi initiative</li> </ul>

### **Priority setting**

1. The participants agreed on an issue that violates most CHILD rights with the highest intensity
2. They agreed on the elements of duty bearers and rights holders
3. They highlighted the role of each duty bearer
4. They then scored the performance of each duty bearer
5. They chose the best rights based approach tool to address the issue.
6. And finally did a resource mapping

**CHILD RIGHTS VIOLATIONS WITHIN NYANDO AND NYAKACH SUB-COUNTY**

**Collected and Discussed during the workshop**

**GROUP 1**

SPECIFIC HUMAN RIGHTS	EXISTING VIOLATIONS	VIOLATED PERSONS	INTENSITY OF VIOLATION					DUTY BEARER IN CHARGE	HRBA RECOMMENDATIONS
			1	2	3	4	5		
<b>WORSHIP</b>	Lack of direction to sound doctrine	Youths Children			X X			parents community	Advocate for a common church Teach them their rights to choice.
