Greeting Message

My warmest congratulations to the founders of Universal Touch Medical Foundation Inc. Your vision for a General Hospital / Medical Center, together with Medical Arts Building, nursing school, coliseum, hotel complex and dormitory units in a bigger place is truly a vision worth pursuing. For such resembles the ministry which is very close to the heart of God, whose love and compassion for the sick and the lost never fails.

It is my earnest desire that your vision be turned into reality. That the goals and objectives you have set for a certain period may be realized just in time so that you may be of service at last to the community of believers as well as to them that are still to be won for Christ.

That is why I urge you to stay steadfast in the Lord, to remain zealous in aspiring greater service for God's kingdom since we were all prepared and are still being prepared for such an honorable task. Keep doing well, knowing that God himself does not run out of ways to deliver what we will need to the end that we might be of service to others and a joy unto His heart as well.

And let us not forget how the Lord Jesus Christ minister to the sick - those that are sick both in their soul and body - how He shows great compassion. "And Jesus went forth, and saw a great multitude, and was moved with compassion toward them, and he healed their sick." (Matthew 14:14)

"Therefore, my beloved brethren, be ye steadfast, immovable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord." (1 Corinthians 15:57)

God bless you more and always!
