RECOMMENDATION OF INTEGRATED DISABLED WOMEN ACTIVITIES (IDIWA)

I bring you warm greetings from Iganga district under Gender, Women and Culture Office. IDIWA has worked in Iganga District for over 15 years now with the mission of empowering Women and Girls with Disabilities through human rights advocacy, economic empowerment, education, reproductive health among others. My office is directly involved with IDIWA activities. Their endeavors in advocating for persons with disabilities, women and girls in particular has caused a great impact in the lives of persons with disabilities.

As Iganga District under Gender Office, we are impressed with the organization's ability to point out the most problematic areas and come up with possible solutions to address the situation. I therefore warmly recommend them for financial support to further their endeavours in the same area.

Yours sincerely,

Opio Joseph Onangu

**SENIOR COMMUNITY DEVELOPMENT OFFICER I/C
GENDER, WOMEN & CULTURE/IGANGA.**
