

TINADA YOUTH ORGANIZATION (TIYO)

Education Forum on Human Rights Based Approach and child Needs and protection Report

(The activity reached out to 70 participants both community units representatives and ECDE centres teachers)

In collaboration with USTADI FOUNDATION (CDP)

ON 24TH OF MARCH 2017

WITH SUPPORT FROM DANIDA –GLOBAL SOUTH PROGRAM

Child Brain Development, Growth, protection and rights Demonstration to child care givers

TINADA YOUTH ORGANIZATION in collaboration with **USTADI FOUNDATION** - Capacity Development Partner is implementing Capacity Development Program with funding from Danida - Global South Program. The initiative supports Civil Society organizations in Kenya, Uganda and Somalia in capacity building initiatives in the thematic areas informed by the Danida Development Policy. These are: Human rights, Green growth, Social progress and Stability and protection using the following intervention areas: Advocacy; Human-right based approach; and Organizational development. The programme's goal is *"to provide an innovative approach to capacity development of civil society in the Global south and to foster new and more equal partnerships between South and North CSOs"*

RESULT 1. Enhanced capacity and application in human rights with effective child protection by community members, caregivers and duty bearers

ACTIVITY: Activity 1.2-Reach out to 70 participants both community units representatives and ECDE centres teachers through a 1 day community education forum on Human Rights Based Approach and child protection

- ❖ **Tinada Organized and USTADI Foundation (CDP) reached 70 participants both community units representatives and ECDE centers teachers through a 1 day community education forum on Human Rights Based Approach and child protection**
- ❖ **Developed Child needs programming action plan**
- ❖ **The Early Child Development Education teaches and Child Caregiver were also taken through child brain development and their rights needs**

The Participants Were Taken Through A Participatory Discussion, Question And Answer And Facilitation On The Background Of Poverty In Relation To Human Rights As Below:

What does poverty mean to you?

- Lack of basic needs ie food, shelter, and clothing.
- Not having what you ought to have
- Lack of medicine, education, roads and water

<p>We should all be equally Well off</p> <p>EGALITARIAN VIEW</p>	<p>Some people should be better off: they work harder They deserve it</p> <p>ELITIST VIEW</p>
<p>At least others should not have more than others</p>	<p>Some people are poor because they are defective</p>

- Not able to meet your needs
- Can be absolute or relative

Relating to poverty

- Bitter with others
- Hopelessness
- Irresponsible
- Fear of association
- Lazy
- Unmet needs

Assignment

1. Which one is the most popular view of poverty in your locality?
2. What are some of the causes of these views?
3. As a member of Livero what are some of the interventions that should be done to correct this view?
4. What are the major causes of poverty in your locality?

GROUP ONE ANSWER:

1. Elitist view: some people are better off because they work harder, they deserve it.
2. Belief/doctrine
 - Educated
 - Lifestyle
 - Economic background
3. Awareness creation
 - Capacity building
 - Advocate for change
4. Family economic background
 - Lack of exposure
 - Mentality
 - Political imbalance
 - Poor government systems

- Lifestyle
- Stereotype

GROUP TWO ANSWERS:

1. Elitist view: some people are better off they work harder, they deserve it.
2. Family financial background
 - Political & social exclusion
 - Nepotism
3. Capacity building
 - Income generating activities
4. Ignorance & laziness
 - Cultural beliefs
 - Gender discrimination
 - Jealousy
 - Poverty mind-sets
 - Natural calamities

GROUP THREE ANSWERS:

1. Elitist view: some people are better off because they work harder, they deserve it.
2.
 - Lack of income
 - Lack of knowledge
 - Lack of skills
 - Lack of material resources
 - Lack of power
3. Capacity building
4. Poor politics

Poor infrastructure

 - Lack of finance
 - Lack of rainfall

GROUP FOUR ANSWERS:

1. Elitist view
2. Unequal distribution of resources
 - ✓ Social exclusion by the rich
 - ✓ Greed

- ✓ Poor politics and leadership
- ✓ Ignorance
- 3. Carry out sensitization on human right
 - ✓ Develop and capacitate grass root community human resources by community based team or committee
 - ✓ Engage and educate community gate keepers on human resources and advocacy
 - ✓ Involve key stakeholders in correcting the view the community
- 4. Low food production
 - ✓ Low education level
 - ✓ Poverty mentality
 - ✓ Poor rainfall
 - ✓ Poor leadership

Charity vs empowerment

Charity said- give the hungry fish while Empowerment- show them how to fish

Principles of governance

- Accountability
- Transparency
- Participation
- Responsiveness

Government's duty to the citizens

1. Respect
2. Protect
3. Fulfil

Moral views of poverty

Relative poverty

Absolute poverty

Interventions to poverty

1. Capacity building
2. Income generating activities
3. Advocate for change
4. Human rights ambassadors or committee on human rights
5. Gate keepers

6. Networking

Causes of poverty

1. Gender discrimination
2. Natural calamities
3. Poor infrastructure
4. Political imbalance
5. Poor leadership
6. Unequal distribution of resources
7. Ignorance of rights

THE PARTICIPANTS WERE INVOLVED IN MASS PRIOTIZATION OF CHILD DEVELOPMENT NEEDS THAT NEEDS ATTENTION
