

2021 VOLUNTEER ARRIVAL AND START DATES

Please Note: We ask volunteers interested in the Uganda volunteer work to commit at least twelve weeks (3 months) in order to ensure a worthwhile experience. But we accept volunteers from a minimum of 4 weeks' duration.

We want every volunteer to feel that their time in Uganda was put to good use and that they had adequate time to make an impact. The preferred length of trip for a volunteer's first visit is 8 -12 weeks.

Although we do not strictly prohibit shorter stays, we do request that our volunteers are able to offer at least one month of voluntary services. Occasionally we will allow for a shorter stay than one month, but this is handled on a case by case basis.

We understand that it can sometimes be difficult for doctors, to take a full month off. Therefore, doctors can come for a three-week period.
