

## Statement of Faith

We believe the Bible to be given by inspiration of the Holy Spirit, infallible, and God's revealed word.

We believe that scripture teaches that there is only one true and living God who has chosen to reveal Himself as Father, Son, and Holy Spirit.

We believe that man is a sinful being in need of salvation.

We believe in the virgin birth of Jesus Christ, that He is the Son of God and son of man. That He came to save man from condemnation of sin by offering His blood as atonement and making it available to all who exercise faith in Him.

We believe that for salvation of lost and sinful man, regeneration by the Holy Spirit is absolutely essential.

We believe the scriptures ascribe to the Holy Spirit the acts and attributes of an intelligent being, and that the works of God such as creation, inspiration, giving of life, and sanctification are also ascribe to the Holy Spirit.

We believe in the sanctifying power of the Holy Spirit by whose indwelling the Christian is enabled to live a holy life.

We believe that the baptism of the Holy Spirit is given to believers who ask for it.

We believe that all mankind is subject to death of the body as a result of sin. The soul and spirit do die, but immediately after death enter into a conscious state of happiness or misery according to the character here possessed by rejection or acceptance of the Savior.

We believe in the personal, imminent return of our Lord and Savior Jesus Christ.

We believe the redemptive work of Christ on the Cross provides healing for the human body in answer to believing prayer.
