Dear Sir,

RE: WECARE COMMUNITY BASED ORGANIZATION

This is to inform you that WECARE COMMUNITY BASED ORGANIZATION was registered in our office as a group in the year 2019 but due to their devotion and commitment towards serving the community in a wider area of Kisumu West District they moved from group and in 2021 registered as a community Based Organization.

They are dedicated and active in their activity of which the community is experiencing their impact I do recommend the CBO

Thank You,
