## Endorsement Letter

Greetings in Jesus' Name!

I commend the Universal Touch of Life (UTOL) Medical Foundation to the Body of Christ with much confidence and hope in the Lord.

The vision and mission for the ministry of UTOL was born out of a heart that has been touched by affliction and comforted by God. As such, the driving force behind it is one of pure Christian benevolence and service, first to the brethren and then to everyone else.

I trust that the Lord will confirm UTOL's mandate with His favor and blessing.

Sincerely,

*Efraim Tendaro*

**BISHOP EFRAIM M. TENDERO**

*National Director, PCEC*
