## **What are the challenges?**

Young Educated Safe and Skilled (Y.E.S.S) is a volunteer based organization thus depends on members' dedication and self sacrifice therefore has a couple of challenges namely;

- Adequate facilities to offer an education to the youth.

- Large number of youth whose needs we cannot satisfy.
- Funding for our projects
- Lack of adequate equipments and materials to be used in our training.

## **What is needed 2012-2015?**

- Funding for our projects.
- Networking with different stake holders.
- Funding to construct vocational school on our piece of land.
