LETTER OF AFFILIATION

Dear Mr. Abdullahi,

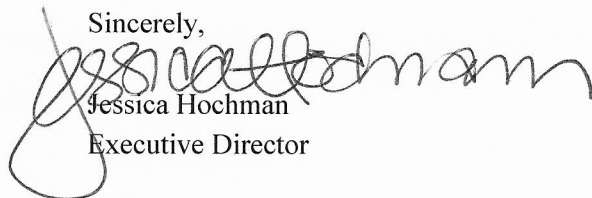

The Foundation for a Drug-Free World (FDFW) is a public benefit organization that empowers youth and adults with factual information about drugs so they can make informed decisions to be drug-free.

Through our international network of volunteers, FDFW makes educational materials available across every continent to students, parents, educators, volunteer organizations and government agencies—anyone with an interest in helping people lead lives free from drug abuse. Our objective is to work shoulder-to-shoulder with prevention-minded organizations—sectarian as well as churches and faith-based nonprofits—to reach millions of people each year who are touched by the Foundation’s life-saving "let's reach kids before drugs do" message.

The Foundation for a Drug-Free World is pleased to form an affiliation with you for the purpose of conducting drug education in Kano State and surrounding areas in Nigeria. With this acknowledgement, you may represent the Foundation, launch drug awareness campaigns, conduct education presentations and classes, do distribution events and other activities that forward the above objective and suitably represent the Foundation’s standards.

Your efforts and successes in advancing the Foundation’s mission will be reviewed annually by the Board. We will do our very best to service your good work. We wish you all the best for future endeavors.

Sincerely,

Jessica Hochman
Executive Director
