Dear Dr. Wilfred:

This letter is to serve as an invitation for you to attend the International Vocational Education and Training Association (IVETA) conference on November 28, 2012 in Atlanta, Georgia USA. The theme of this special session is *Using Labor Market Information to Improve Vocational Education and Training (TVET) Programs: Matching Supply and Demand*. This will be followed by the annual business meeting of IVETA. We look forward to hosting you in Atlanta.

The one day, November 28th conference is held in conjunction with the Association of Career and Technical Education (ACTE) Convention, November 29-December 1, 2012 also in Atlanta, Georgia.

The ACTE Convention is the only conference dedicated to offering a comprehensive program in one place, specific to career and technical education. The Career Tech Expo convenes the largest number of companies showing the latest teaching tools to help educators stay current in the classroom.

As an affiliate member of ACTE, IVETA holds their conference and annual meeting as part of the conference. This is also an opportunity to meet members representing countries throughout the world. IVETA has over 250 members representing over 40 countries.

We at IVETA look forward to seeing you in Atlanta in November. If you have any questions concerning the IVETA Conference program, please feel free to contact me or Bob Mahlman at mahlman.1@osu.edu.

Sincerely,

Barbara Ann Herrmann
Executive Secretariat/Treasurer
