To UNOCHA Humanitarian Funding Unit,

On behalf of the WASH Cluster in Yemen, I, Emma Tuck, WASH Cluster Coordinator, confirm IYCY (International Youth Council Yemen) is an active WASH Cluster member in Yemen. IYCY actively attend WASH cluster meetings at National and Sub-National levels and are committed to coordination and working in complementarity.

IYCY WASH Projects have support IDP response, IFRR and Cholera response as well as recovery programming integrated with other sectors. Activities have included, but not limited to, support to operation of water systems, environmental cleaning campaign, hygiene awareness and distribution of key WASH NFI. IYCY systematically report their activities to the WASH cluster through the 4Ws.

IYCY has access in their areas of operation, and acceptance by local authorities. The YWC considers IYCY to have the capacity to implement WASH programs in Yemen and thus, recommends International Youth Council Yemen (IYCY) for the GMS.

Best Regards
