<b>7</b>	<b>Type Of Organisation</b>	Community Based Organization (CBO)
<b>8</b>	<b>ABOUT THE ORGANISATION</b>	
<b>A</b>	<b>Nature Of The Organisation</b>	AJSA is a non-political, non-profit motive, social Development organization, working towards sustainable development since its inception.
<b>B</b>	<b>Vision</b>	To establish a society where there will be no poverty and injustice, Where the people plays the Vital role as subject in the economical, social, cultural and political process, that affects their life. As well as to build a society where people have constant access to decision making process and the Power that affects their life.
<b>C</b>	<b>Mission</b>	Our mission is to utilize the natural resources, Human resources and physical resources most judicially for the Sustainable Socio-economic development of the society and empower the unprivileged sections like SCs,STs,Women,Disabled persons, Small and marginal farmers. Such that they too can become the part of mainstream development activity.

## Our Management system

There is a central committee consisting of 70 nos. of members as an apex body being responsible for overall management and policy decision of the organization. For day to day functioning and conception and implementation of programs and policies. Central committee has authorized an executive committee. The executive committee delegates its power to the secretary as the chief functionary to liaison on behalf the society reporting to funding partners, co-coordinating implementation of its program activities, mobilization of resources and Acts as the spokesperson of the organization. The present Executive Committee consists of 7 members including 3 women. It normally sits 12times in a year with executive committee to have an overview of project activities and review performance of the organization based on the vision and mission of the organisation.

There is a program management team headed by the secretary, Each Programme is headed by respective Programme coordinators. Who also looks after accounts, administration, for their respective programs, who also reports the executive committee in every month. The team sits in each month to review the program and to take corrective measures and plan for the next Stage.

### ORGANOGRAM OF AJSA

## 14. Geographical Area Of Operations For Field Projects

Districts	Blocks	No. of G.P covered	No. of villages covered	Total Population-District	Total no. Of SC'S-District	Total No. Of St's-District	Total Population Covered
Bolangir	Bongomunda	22	126	1,46,8745	2,05,302	2,09,182	72,556
	Titlagarh	05	25				4,052
Kalahandi	Golamunda	02	10	1,65,4589	2,18,255	3,02,073	2,546
