

PRESBYTERIAN THEOLOGICAL SEMINARY

Dehradun

PTS ALUMNI SUMMER PROJECT 2016

<p>Name of the project LOWRISTON VARENDA</p> <p>Plan TILE WORKS</p> <p>Cost Rs. 50,000</p>	 <p>PTS LOWRISTON VARENDA</p>
---	---

Why needed:

The picture says it all! Patch work was done several times already. A better treatment is needed as this is one of the most common passages / walk ways in the campus. On top of that, this is where our proud graduates were greeted every year on the day of graduation. As one can see, this does not give a warm appeal to PTS any more. Imagine how this can be transformed with a little bit of work – Let's do it without waiting any longer!

How come the cost is so less?

Sufficient tiles were already donated by an alumni couple!

When to start the work?

Any time today if and when we hear even from ONE alumnus to contribute Rs. 500 or more, or in kind (cement, bajri, etc)

When to finish the work?

Before 8 July 2016

How to send fund online?
